FAST Rural Transport Ltd (Fermanagh And South Tyrone)

Cross Border Rural Community Transport

Door to Door Service & Reasonable Rates

This new initiative offers a very cost effective service for Cross-Border Journeys in Donegal, Fermanagh & South Tyrone areas.

Passengers simply register as members of the scheme and receive a low cost service based on a per mile rate (40p or 50c). Enniskillen to Lough Derg would cost approx.

The mileage rate is per journey (car) not per person so works out very cost-effective if 2 or 3 are coming to Lough Derg.

This transport is ideal for those who are rurally isolated - so the many elderly who call in looking for a One Day Retreat and then ask what time the bus is picking them up, if it's in the vicinity, then this is the solution.

It must be noted, however, that passengers **must pre-register** with this service, they cannot use it simply like a taxi company, but a few days in advance should suffice.

To Register Tel **686 28958** (North) or **071 9643933** (South).

With notice, they can also accommodate passengers with special needs (wheelchairs etc).

This is great community initiative and potentially a great asset to Lough Derg and our pilgrims.

Lough Derg's contact for the service is **Barry Goodwin** at **028 686 28958**.
