

Lough Derg offers special opportunities in the context of the World Meeting of Families, for parishes, prayer and ministry groups and families.

Why not come for a One Day Retreat or the Three Day Pilgrimage. Embarking on a significant journey of renewal in communion with others is a deeply rich and rewarding experience.

The World Meeting of Families Icon of the Holy Family will be venerated on the Island, 20 – 30th July, its final location before the World Meeting of Families event in August.

Special Days

Each season there are other retreat events inviting people to experience the Island in new ways. One pilgrim's reflection: "Lough Derg is a special place, a hidden treasure. It is pure and untarnished. It is a place of beauty and rhythm, which provides sanctuary from much of the routine of modern living....just the sounds of the creatures of nature, the lapping of the lake water, and buildings and spaces which nourish the spirit."

PILGRIMAGE SEASON 2018

Families enjoying Family Day Retreat

‘Let us make this journey as families, let us keep walking together.’

‘No family drops down from heaven perfectly formed; families need constantly to grow and mature in the ability to love. Let us make this journey as families, let us keep walking together. What we have been promised is greater than we can ever imagine.’
The Joy of Love, no 325

The 2018 season on Lough Derg coincides with the World Meeting of Families which Ireland is hosting in August. As its theme Pope Francis has chosen: *The Gospel of the Family, Joy for the World*. And he has made it clear that it was his personal choice that Ireland would host this significant event.

From the earliest stages of the preparation, Lough Derg has been active in contributing to the World Meeting of Families. Our 2017 pilgrims supported the preparations with their prayer. During the Three Day Pilgrimage, more than 5000 of them offered a Station Prayer for this intention. And Lough Derg will be present this year at the event itself.

Lough Derg is a family place. Families are its

lifeblood, from generation to generation. You may recall family members whose feet have walked the ground of Station Island in the past or who still come here on pilgrimage. Pope Francis calls the Church to be ‘a family of families’. Lough Derg pilgrims sometimes speak of themselves as a ‘Lough Derg Family’, who share a unique experience of pilgrimage not easily explained but deeply appreciated by those who are part of it.

And what about you dear reader? Is this the year for you to come to Lough Derg, or to come back to Lough Derg? To reclaim your family faith-roots here, or to put down some new ones? Will you remember this year 2018 not only for the World Meeting of Families but also as a year when you came to Lough Derg, perhaps with some family members, or brought them all with you in spirit?

One Day Retreats

The popular One Day Retreats – now in their 27th year – continue to offer an oasis of calm from the hurly-burly of everyday life.

Stepping aside from the pace of routine for a day gives us the space to establish perspective and focus on what really matters. It offers breathing space to gain sanctuary from the binds of having **to do**, and allows us time **to be**.

In this living place of pilgrimage you are welcome regardless of where you are on your journey with God. Whether you are on your own, with family & friends or as a parish or diocesan group – all gather as part of a pilgrim people journeying together in a contemplative tradition that links us with St Patrick.

Friday 1st June - Wednesday 15th August
(Last day to begin your Three Day Pilgrimage Monday 13th August)

Pilgrimage is a meaningful journey to a sacred place...

A place of living pilgrimage for more than 1500 years

...on Lough Derg the Three Day Pilgrimage is a faith-filled journey to inner peace.

Penitential Prayer Beds

Why people, young and old, continue to be drawn to this sacred Island cannot be explained in mere words. Everyone’s personal pilgrim journey is special to them and the experience can bring unconscious spiritual depths to the light of awareness; pilgrims often remark that what they got from the experience was something entirely unexpected. Pilgrim Mary reflecting on completing her Three Day Pilgrimage wrote, “Our pilgrimage was mind blowing...I wish I could hold and bottle this feeling and share it with everyone in the whole world.”

Come have your own personal, unique experience in the atmosphere of compassion and healing which pervades the setting of the Island.
